

# GRADES AND COURSE CREDIT

---

Grade	Points Per Credit	Description
A	4.0	Excellent - Work shows marked superiority in such qualities as organization, accuracy, originality, understanding, and insight.
B	3.0	Good - Work indicates appreciation and grasp of the subject that is distinctly above the average.
C <sup>1</sup>	2.0	Acceptable only to a limited extent of minimally fulfilling the requirements for an advanced degree.

<sup>1</sup> Only two (2) grades of C are accepted for degree completion. Grades below a C are not accepted for degree completion.

No graduate credit is given for courses numbered below 500.
