

CLOSED CLASS PERMISSION

To register for a course which has reached its enrollment capacity (identified as closed within ArgoExpress), a student must register himself/herself to the waitlist through ArgoExpress. After getting on a waitlist, the student should check his/her UP email account daily. If a seat in the course opens, an email will be sent to the students' UP email address. The student has 24 hours to log in to ArgoExpress and register for the course. If the student does not register within 24 hours, that student is removed from the waitlist, and the next student on the list is notified of the open seat. The student is responsible for enrolling himself/herself into the course after the notification is sent. Final decisions are at the discretion of the course instructor.
