

DESIGNATION OF DEGREES

Bachelor's degrees will be designated as a Bachelor of Arts or Bachelor of Science based on the major completed to earn the degree. Degrees, majors, minors and concentrations are recorded after the end of the term in which all requirements for graduation have been met. Associate degrees will be designated as Associate of Arts, Associate of Science, or Associate of Applied Science based on the major completed to earn the degree. Certificates will be designated as completion of a series of courses in a particular subject, but are not considered degrees.
