

MISSION LEADERSHIP UNDERGRADUATE

Mission Leadership Certificate Program

The Providence Mission Leadership Institute (MU) offers whole-person development in health care for caregivers aspiring to become Mission integration leaders and caregivers interested in Mission centered leadership education. Our vision is to prepare leaders who skillfully integrate Mission and Values into every sacred encounter with patients, families, caregivers, and the community. Participants will complete the program in a cohort-based model, and will be formed in servant leadership with particular focus on solidarity with vulnerable populations. This program is currently offered via invitation only.

Program Leadership and Faculty: **Deanna Koepke, Ph.D.**
