

DISBURSEMENT OF FUNDS

Funds are disbursed at the beginning of each semester after registration has been finalized, normally the 11th class day. Grants, scholarships, and student loans will be credited towards tuition and fees first. Any remaining balance after tuition and fees are paid will be refunded to the student for other educational expenses. Excess university institutional funds will not be calculated into a student refund. Wages earned in the student work program will be paid on a bi-weekly basis.
